# EPD-NET

Filling The Gap: Development of Ecological Planning and Design Learning Network and an Adaptive Smart Training Module for Disaster Resilient and Sustainable Cities.

## Smart Learning Ecosystem for Disaster-Resilient and Sustainable Cities

An AI-supported smart training module and an international learning network for ecological planning and design.

**EPD_Assist**
AI-powered personalized learning assistant

**Smart Training Module**
Adaptive learning content for disaster-focused ecological planning and design

**Multilingual Learning Materials**
Rich and open learning resources for international access

**LMS / Learning Platform**
Flexible, accessible and interactive learning experience

**Nature-Based Intelligence**
Nature-based solutions for greener, more resilient and more liveable cities
